

Dinner - \$33

First Course - Gourmet Hot/Cold Gourmet Bar Your first course starts with a trip to our Gourmet Bar. We offer over 30 different items from traditional Brazilian hot & cold dishes, Seafood, some American favorites, a variety of vegetables and various prepared salads. By no means is this your ordinary salad bar.

Second Course - Rodizio Meat Service The entrée course is controlled by the customer. There is a two sided Marker on each table. One side (Gold) signals the Rodizio service to start and the other side (Black) signals it to stop. The Passadores will stop at your table and present the particular cut that they are serving; you may accept or decline as you wish. You may flip the marker as many times as you like, stopping and starting, but be sure to save room for each of our 14 top quality cuts of beef, turkey, chicken, pork, and lamb.
